RECTOR'S MESSAGE

As Rector of St. Paul's College, I am again pleased to present our Annual Report for the 2019-2020 academic year. Unfortunately, along with most post-secondary institutions around the world, we had to close our offices and classrooms in the latter part of March, prior to the second term's conclusion. Our students and faculty were able to finish the term through remote access, and the exam period, with special measures, was successfully completed.

We continue to reach out to our students and faculty on a regular basis, raise funds for emergency bursaries for the St. Paul's College Foundation Inc. through CanadaHelps.org, and are planning for remote teaching in the fall and eventually having our students back in our classrooms, cafeteria, library, chapel, and study areas.

This report provides an overview of our most recent year here at the College. Here are some highlights worth noting:

- In 2019/20, 986 University of Manitoba students joined St. Paul's College. A total of 143 St. Paul's College student members graduated with their university degrees. While spring celebrations were cancelled, we will celebrate our graduates in the coming year.
- Our student members were enrolled in a wide range of University of Manitoba degree programs. This includes 208 students in the Arts and Humanities, 213 in Sciences, and 90 in Business at the Asper School. Also, many of our students are enrolled in Law, Medicine and Health Sciences, Engineering, Music, Education, and Peace and Conflict Studies.
- Our Catholic Studies B.A. minor program is the largest of its kind in Canada. A total of 340 students came from across campus to enroll in courses provided by the Jesuit Centre for Catholic Studies. We thank the University of Manitoba for their continued support for this program through the 10-Year Jesuit Academic Funding Agreement.
- The Joint M.A. with the University of Winnipeg and Ph.D. program in Peace and Conflict Studies are thriving programs housed in the Arthur V. Mauro Institute for Peace and Justice. Many scholarships are provided to these students who now number over 80 and who come from throughout the world. These supporting funds from many generous donors are stewarded by the St. Paul's College Foundation.
- Our faculty continues to be drawn from a wide range of University departments and consists of 18 Regular Faculty Assembly members as well as many others, including associate members, research fellows and scholars.

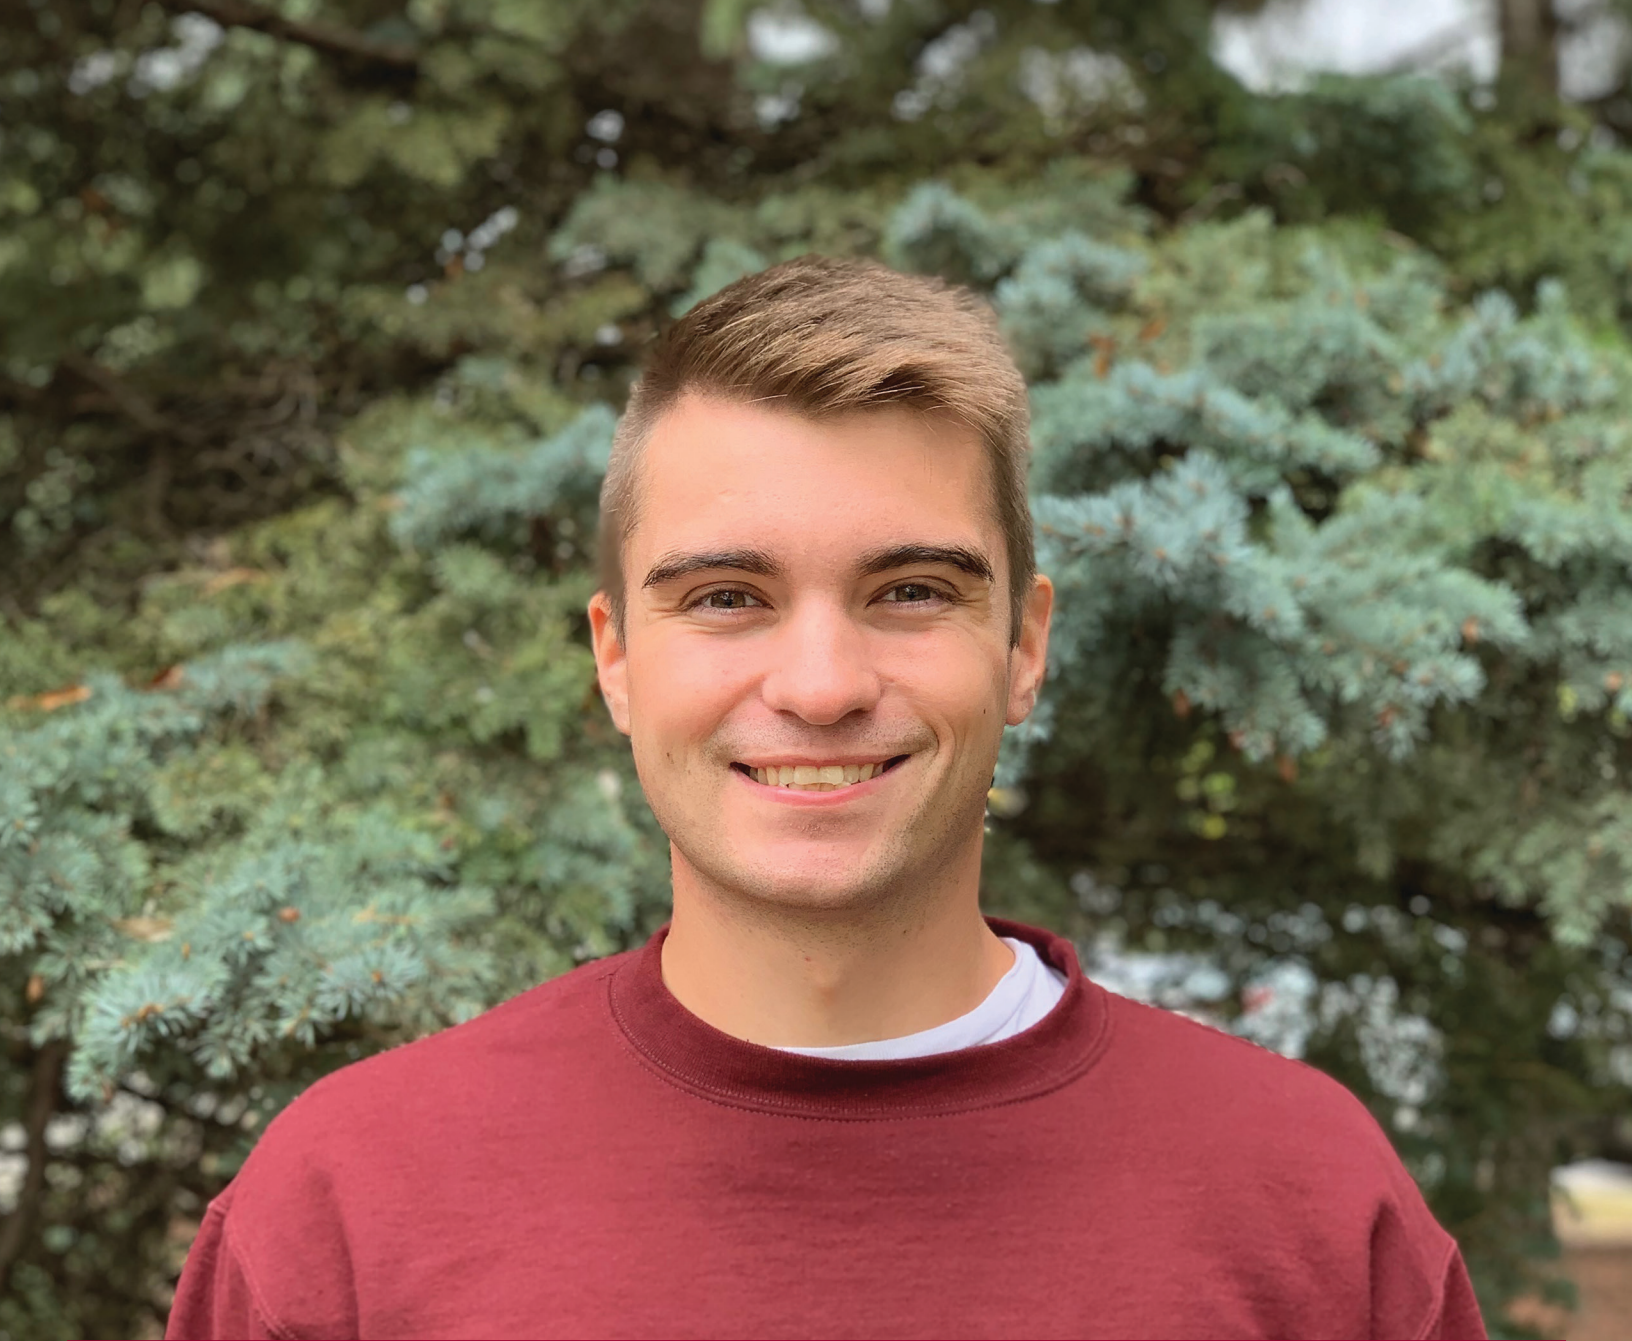

In creating this report, our College acknowledges the tremendous support from the University of Manitoba's Office of Institutional Analysis and the Registrar's Office, with special thanks to Randy Roller, Wen Trask, and Shan Rogers. In addition, we appreciate the hard work of Randall Kinley, who coordinated the project, and Matt Semchyshyn who created and edited the report, while also managing its design, layout and print production. A big thanks also goes to those who helped proofread the various drafts prior to finalization.

We deeply appreciate the support we receive from our generous donors, alumni, volunteers, and the Archdiocese of Winnipeg, the University of Manitoba, and others across the broader community. We also appreciate all the good things our students, faculty and staff do each day to make this a great community within the larger University of Manitoba community!

Christopher J. Adams
B.A. (Hons) (SPC'83), M.A. (SPC'86), Ph.D. (Carleton)
Rector, St. Paul's College
Chair, Arthur V. Mauro Institute for Peace and Justice

"I joined St. Paul's College in my first year of University as I had heard about my father's experience as serving as Senior Stick of the College in 1990. The College was my place to hang out with friends and I had my own study carrel. The Marketing and Communication officer, Matt Semchyshyn, reached out to me to write a reflection on being a student of the College for social media. He encouraged me to get more out of St. Paul's College by joining the St. Paul's Students' Association, who his brother, Jeremy, was Senior Stick of at the time. I joined the Student Council and served as Sports Representative in my first year, and although nothing more than helping out at events was expected of me, I wanted to go above and beyond and created the first annual St. Paul's College Dodge-ball tournament. We even had a trophy made for the tournament which can now be found in the cafeteria's trophy case. I continued as Sports Representative in my second year and I expanded on the events offered with the creation of the first annual St. Paul's College Golf tournament, Sports Trivia Night, March Madness Bracket Challenge and of course we continued the dodge-ball Tournament. I was genuinely having so much fun and made so many friends on Council that I decided to try and get even more involved by running as Vice-Stick on Tommy Semchyshyn's slate. Being Vice-Stick for a year allowed me to see how the College operated as a whole and I was able to run for Senior Stick in the following year and transitioned into the position with ease. My term as Senior Stick was a spectacular experience. I genuinely enjoyed serving the St. Paul's College Community, making lifelong friends, and seeing all of the ideas of improving the College come to fruition. St. Paul's College made my University experience one of a kind and I wouldn't change it for the world. I loved my Council, I loved the faculty, I loved writing for *the Paulinian*, I loved that I was able to follow in my father's footsteps of being Senior Stick. Getting involved was the best decision I ever made, and I can't thank Matt Semchyshyn enough for encouraging me to be more than just a student."

— **Brendan Scott**
Senior Stick 2019-2020
Faculty of Science

EXECUTIVE SUMMARY

STUDENT MEMBERSHIP

- A total of 986 University of Manitoba students registered as members of St. Paul's College, as recorded at November 1, 2019.
- In 2019, 143 student members of St. Paul's College graduated from the University of Manitoba. 31 students graduated at the Fall Convocation and 112 students graduated at the Spring Convocation.
- In 2019, 662 of the eligible 840 student members, or 78.8% of students returning to the University of Manitoba in the 2019–20 academic year, continued as College members.
- In the 2019–2020 regular academic year, the majority of St. Paul's College students were enrolled in Science (22%), Arts (21%) and University 1 (15%).

COURSE OFFERINGS

- In the 2019–20 regular academic year, a wide range of courses from 17 faculties and schools were offered at St. Paul's College with a total of 204 course and tutorial sections, of which 27 courses were taught by College faculty members.

AREA OF EMPHASIS

- In the 2019–20 academic year St. Paul's College offered a Catholic Studies program and a P.h.D. program in Peace and Conflict Studies.
- The Ph.D. Program in Peace and Conflict Studies is now in its eleventh year of implementation. In 2019–20, there were 14 graduate course sections of Peace and Conflict Studies.
- The B.A. (Minor) in Catholic Studies is now in its twentieth year of implementation. In 2019–20, there were three sections of CATH 1190 in the Fall (enrolment of 98) and two sections of CATH1190 in the Winter (enrolment of 107) for a total of 205 students, one section of CATH 2000 with 13 students and one section of CATH 3900 with 17 students.

FACULTY MEMBERSHIP

As of February 2020 SPC faculty membership included:

- 18 individuals hold regular membership status at St. Paul's College
- 10 individuals hold associate membership status at St. Paul's College
- 12 individuals hold research fellow status at St. Paul's College
- 8 senior scholars
- 10 honorary members
- 6 visiting scholars

“At St. Paul's, we value each person, the community, social justice, the search for truth by faith and reason, and ecumenical and inter-religious dialogue..”

— Value Statement of St. Paul's College

“I look back on my four years as a Paulinian and member of the St. Paul’s College Students’ Association, and I couldn’t be happier. St. Paul’s College has been a part of my university life since my first day. I went from serving as the University 1 Representative on the student council in my first year to becoming Vice Stick in my graduating year. St. Paul’s College was a place I went to connect with friends, to study, for council meetings, and of course to enjoy Peter’s lunches at the Belltower Café. I will cherish all of the memories I have made including orientation weeks, welcome BBQs, beverage gardens, socials, breakfasts, and just time spent socializing in the cafeteria. The College was truly a home away from home during my university life, and I am truly proud to call myself a Paulinian.”

— **Haley Finch**

“Many of my family members were members of the College during their time at the University, and they all had good things to say about it, so it was only natural that I would become a member as well. I find the College to be a good place to go to relax, study, or just pass time between classes. It is almost always less busy and crowded than other places on Campus, and being close to the best food on campus doesn’t hurt. It is also nice to see many of the people I know from St. Paul’s High School around the College.

As the editor of *the Paulinian*, I get to be a part of College members voicing their opinions on a variety of topics, and I am glad that I get to contribute to that ability. It is great that I get to be a part of the College function, to contribute to the College more than just financially.

Regardless of anything else, my time at the College will always be a high point of my time in University.”

— **Joseph Smith**
Paulinian Editor

Thane Tomlinson
The Jesuit Entrance
Scholarship

“As a first-year student at the university, St. Paul’s College served as a much needed and appreciated home base for my friends and me as we navigated life on campus for the first time. I am especially grateful for the generosity of St. Paul’s College directly helping support my academic journey by awarding me the Jesuit Scholarship within my first academic year at the university. I am forever thankful for the opportunities the College has offered me and the overall experience I have had so far at St. Paul’s College.”

“St. Paul’s College, to me, translates to Family. It has always been a place that breathes camaraderie among the large community of the University of Manitoba. Being a member of the College reminds me that there is always time to fill the spirit and be with God. While many of my friends are in different faculties and have classes in different buildings on campus, and while many of my classes are across campus in the Drake Building, we always make the trek across campus to St. Paul’s College to spend time together and share a meal. It is worth making the trip to. I’m grateful for being a Paulinian, and I look forward to more memories.”

— Felipe Andres Garcia

“After graduating from St. Mary’s Academy, joining St. Paul’s College at the University of Manitoba felt like a natural extension of the community that I had been a part of for so many years. In my first year, I spontaneously signed up for a two-week travel-study course to Israel and Palestine. While travelling with other St. Paul’s College students and alumni, I truly felt at home even though I was on the other side of the world. The trip deepened my appreciation for history, architecture, and Catholic social teaching, topics that continue to inform my studies and career in design. As I look forward to graduation this spring with my Master of Interior Design degree, I am incredibly grateful for the opportunities that St. Paul’s College provided.”

Definitions:

Regular Assembly Member: one who holds an appointment at the University of Manitoba, has an office at St. Paul's College, and has been appointed by the Board of Governors as a Regular Member.

Associate Member: one who holds a full time appointment at the University of Manitoba, and has been appointed by the Board of Governors as an Associate Member.

Research Fellow: one who may or may not hold an appointment at the University of Manitoba, but is a scholar who can contribute to St. Paul's College research and academic programs, and has been appointed by the Board of Governors as a Research Fellow.

Senior Scholar: one who holds an appointment of Senior Scholar at the University of Manitoba.

Emeritus Member: one who holds an appointment of professor emeritus or librarian emeritus at the University of Manitoba; and who has been approved by the St. Paul's College Board of Governors for life upon nomination of the Academic Affairs Committee and election by the Assembly.

Honourary Member: one whom the Assembly wishes to recognize as a distinguished contributor to the church, country or to the College and University life in general, but who receives no emoluments and has no share in College governance as a result of Honourary membership.

Visiting Member: one who is engaged in teaching and/or research, and who holds a temporary or part-time appointment at St. Paul's College and/or the University, or who is nominated to membership in the Assembly for reasons deemed appropriate by the Assembly.

“My association with St. Paul’s College has taken many forms from grade school Junior Parliamentarian, to student, to Alumni/ae and Friends Association chair, to faculty member, to serving on the Board of Governors as Alumni rep, to College Dean of Studies and Director of University One keeping the College contributions before the wider University community, and instructor for U1 and the Department of History. I still am active on Assembly committees and teach a Fall/Winter course in History. It has been a long association, and I have loved all the ups, the downs, and the challenges. But most of all it has been the people. The students still uplift me with their struggles and triumphs. One, an author in her own right, e-mailed me recently to tell me how proud she was that she knew all the answers to a quiz show’s questions even when the contestants missed them. She said, “It was all you and your course (History of Western Civilization) that did it! Thanks very much for a great year!” So, to students, the Jesuit, the Marianist and secular fathers, to the custodial, office, administration, and cafeteria staff, to the faculty members, to campus ministry, and the friends of SPC, I can say thank you for helping me grow and try to give back a little of the wealth I have received at St. Paul’s College. My hope is that the Covid-19 crisis will be over soon and may we continue to develop and nurture a learning home for SPC members to be ‘persons for others’ in the Ignatian tradition.”

"Being a member at St. Paul's College has been one of the most rewarding experiences I had throughout my university career, it goes beyond just a membership. I was first introduced to the College by my parents who encouraged me to join the vibrant community. It only took a tour of the building for me to see the multiple opportunities to enrich my studies and I have met incredible people in the last 5 years. From an academic, spiritual, and social perspective there is something for everyone to partake in. My Student Council involvement began in my second year as Special Events Assistant. I then joined the Executive Council as UMSU Representative, then Treasurer and as Senior Advisor in my graduating year. It is the perfect opportunity to meet people from different faculties and gain a broader horizon that goes beyond just your faculty. I look forward to joining the Ignatian Society community and continue my journey as I remember the memories I had at the College."

— **Arthur Coelho Reis**
I.H. Asper School of Business

COMMUNITY DEVELOPMENT OFFICE

The 2019-2020 fiscal year was a pivotal one for the Community Development Office. While the beginning of the year saw the implementation of a new strategic direction, it ended with an unprecedented and unexpected turn of events which we are still navigating our way through.

Beginning with the unexpected turn of events, which you and I know to be the pandemic identified as COVID-19, let us share with you some good news. Over the years, our administration and Foundation leadership insightfully and carefully prepared for unexpected situations such as we find ourselves in today. For the 2020-21 fiscal year, your Foundation is going to provide to the College funding similar to the previous three years. Please know that your College leadership is moving forward thoughtfully and carefully. However, together as a community, we must remain vigilant and committed in our efforts to ensure that our students are well-supported and that our programs remain sustainable.

During the course of the year, our Office received \$657,183.91 in gifts and grants designated for the academic awards and programs that are showcased in this Annual Report. Each of our unit managers plays an active role in our fundraising initiatives. As we move further into 2020, we will focus our efforts on student emergency bursaries, general funds, and Campus Ministry.

How important is your response to our annual fundraising campaigns? Very important! In 2006 when the Foundation first began this annual initiative, there was one fund and, today, there are now over forty. The General Fund is the Foundation's

financial backbone. It has been especially important during this trying time of market instability as it offers available cash, which in turn leverages the annual gifts from the Foundation to the College.

We were honoured to be working with three College families in creating new Funds that over the long-term will expand our programming and financial support for students. Additionally, we were also blessed to receive two planned gifts, which will further assist St. Paul's in stabilizing students' current financial needs.

Two strategic changes that occurred last year was having Marketing and Communications officially join our team and the Ignatian Society stepping forward to lead the way with two pivotal community events: the Ignatian Society's Baccalaureate Breakfast and the Celebration of Giving and Sharing. These two changes have allowed our Office to streamline our communication efforts and expand our alumni and leadership engagement.

As we transition out of one fiscal year into the next, and take steps into vastly unknown territory, we thank you for your contribution to our community. Each gift you have made and continue to make inspires excellence in our students, helping them to realize, bear witness to, and participate in the transformation of our world.

Thank you to Krista Anderson, Jason Brennan, Christine Butterill, Karen Clavelle, John Funk, Jordan Stephensen, Juanita Van Norman, Alexandre Robidoux, and Lori Semchyshyn for their professional advice, support, and guidance.

Ignatius Stick Jeremy Semchyshyn ('19) and Vice-Stick Braeden Cornick ('17) at the 2019 Celebration of Giving and Sharing

ST. PAUL'S COLLEGE IGNATIUS SOCIETY

On November 26th, 2019 the SPC Ignatius Society hosted the Celebration of Sharing and Giving. During that event four Magis Prizes were presented by the Ignatius Stick Jeremy Semchyshyn ('19) and Vice-Stick Braeden Cornick ('17). The Magis Prize is gifted to an individual or group who is a part of the College's community and has demonstrated a willingness to do more for others in the areas of community development, international peace education, influence and leadership, and service for others.

Mr. Thomas P. Dooley ('65, '69) received the Magis Prize for Influence and Leadership. For over 50 years Mr. Dooley has held several leadership positions within the College. He has also served and shared his leadership abilities with other community agencies throughout Manitoba.

Drs. Haskel and Tina Greenfield ('92, '97) were honoured with the Magis Prize for Ingenuity and Innovation for the founding of the Near Eastern Biblical Archeology Laboratory (NEBAL) and their creation and use of research technologies.

Justice Kimberly Prost ('78, '81), unable to attend the event, received the Magis Prize for Peace and Reconciliation as a result of her activities in the area of Law, Peace, and Justice. Justice Prost was an engaged member of the St. Paul's College community during her time as Vice-Stick. She now serves as a Justice on the International Criminal Court.

Finally, Dr. Nichole Riese ('81, '84) was honoured with the Magis Prize for Service for Others. She actively participated with "Médecins Sans Frontières" (Doctors Without Borders) and is a highly regarded physician in the city of Winnipeg, and throughout Canada.

Another turning point in our College's history occurred during the Feast of the Conversion of St. Paul Mass and Academic Award Ceremony on January 26, 2020. There, Christopher J. Adams, Ph.D., officially launched the Ignatius Leadership Program (ILP). The design of the Program is specifically for students who have the desire to develop community leadership skills from the Ignatius perspective.

To complete the Program, a student participates in a selection of activities from a variety of leadership fields that include, among others, student government, sports, public speaking, and campus ministry. Participants will also engage in a three-hour annual workshop exploring their knowledge and understanding of Ignatius leadership. Upon completing the minimum program requirements, students will receive a "Recognition of Completion of the Ignatius Leadership Program" document during the St. Paul's College Baccalaureate Celebrations in April.

ST. PAUL'S COLLEGE FOUNDATION INC

During this time of global uncertainty the Foundation is pleased to share with you that our financial position as of March 31, 2019, led the way for a secure and stable environment.

Our General Fund, is delivering additional strength to our current fiscal position, as we continue to weather the economic storm. For the 2020-21 budget your Foundation is able to provide to St. Paul's College similar funding to the previous fiscal years.

Thank you to our donors whose generosity strengthens our Foundation, College, and our ability to offer academic awards and academic, learning, and outreach programs. These programs greatly enhance our students' experience while studying at the University of Manitoba.

The goal of St. Paul's College Foundation Inc. is to advance the educational and religious objectives of St. Paul's College through fundraising and stewardship activities with the alumni, donors, and greater community. These underlying principles serve to guide our investment portfolio.

Please continue to pray for all those whose lives are touched by St. Paul's College and our Foundation. We invite you to support our good work, with your gifts and ask you to contemplate what your family can do to help advance our College programs.

The St. Paul's College Students' Association at the 2019 Celebration of Giving and Sharing

ST. PAUL'S COLLEGE STUDENTS' ASSOCIATION

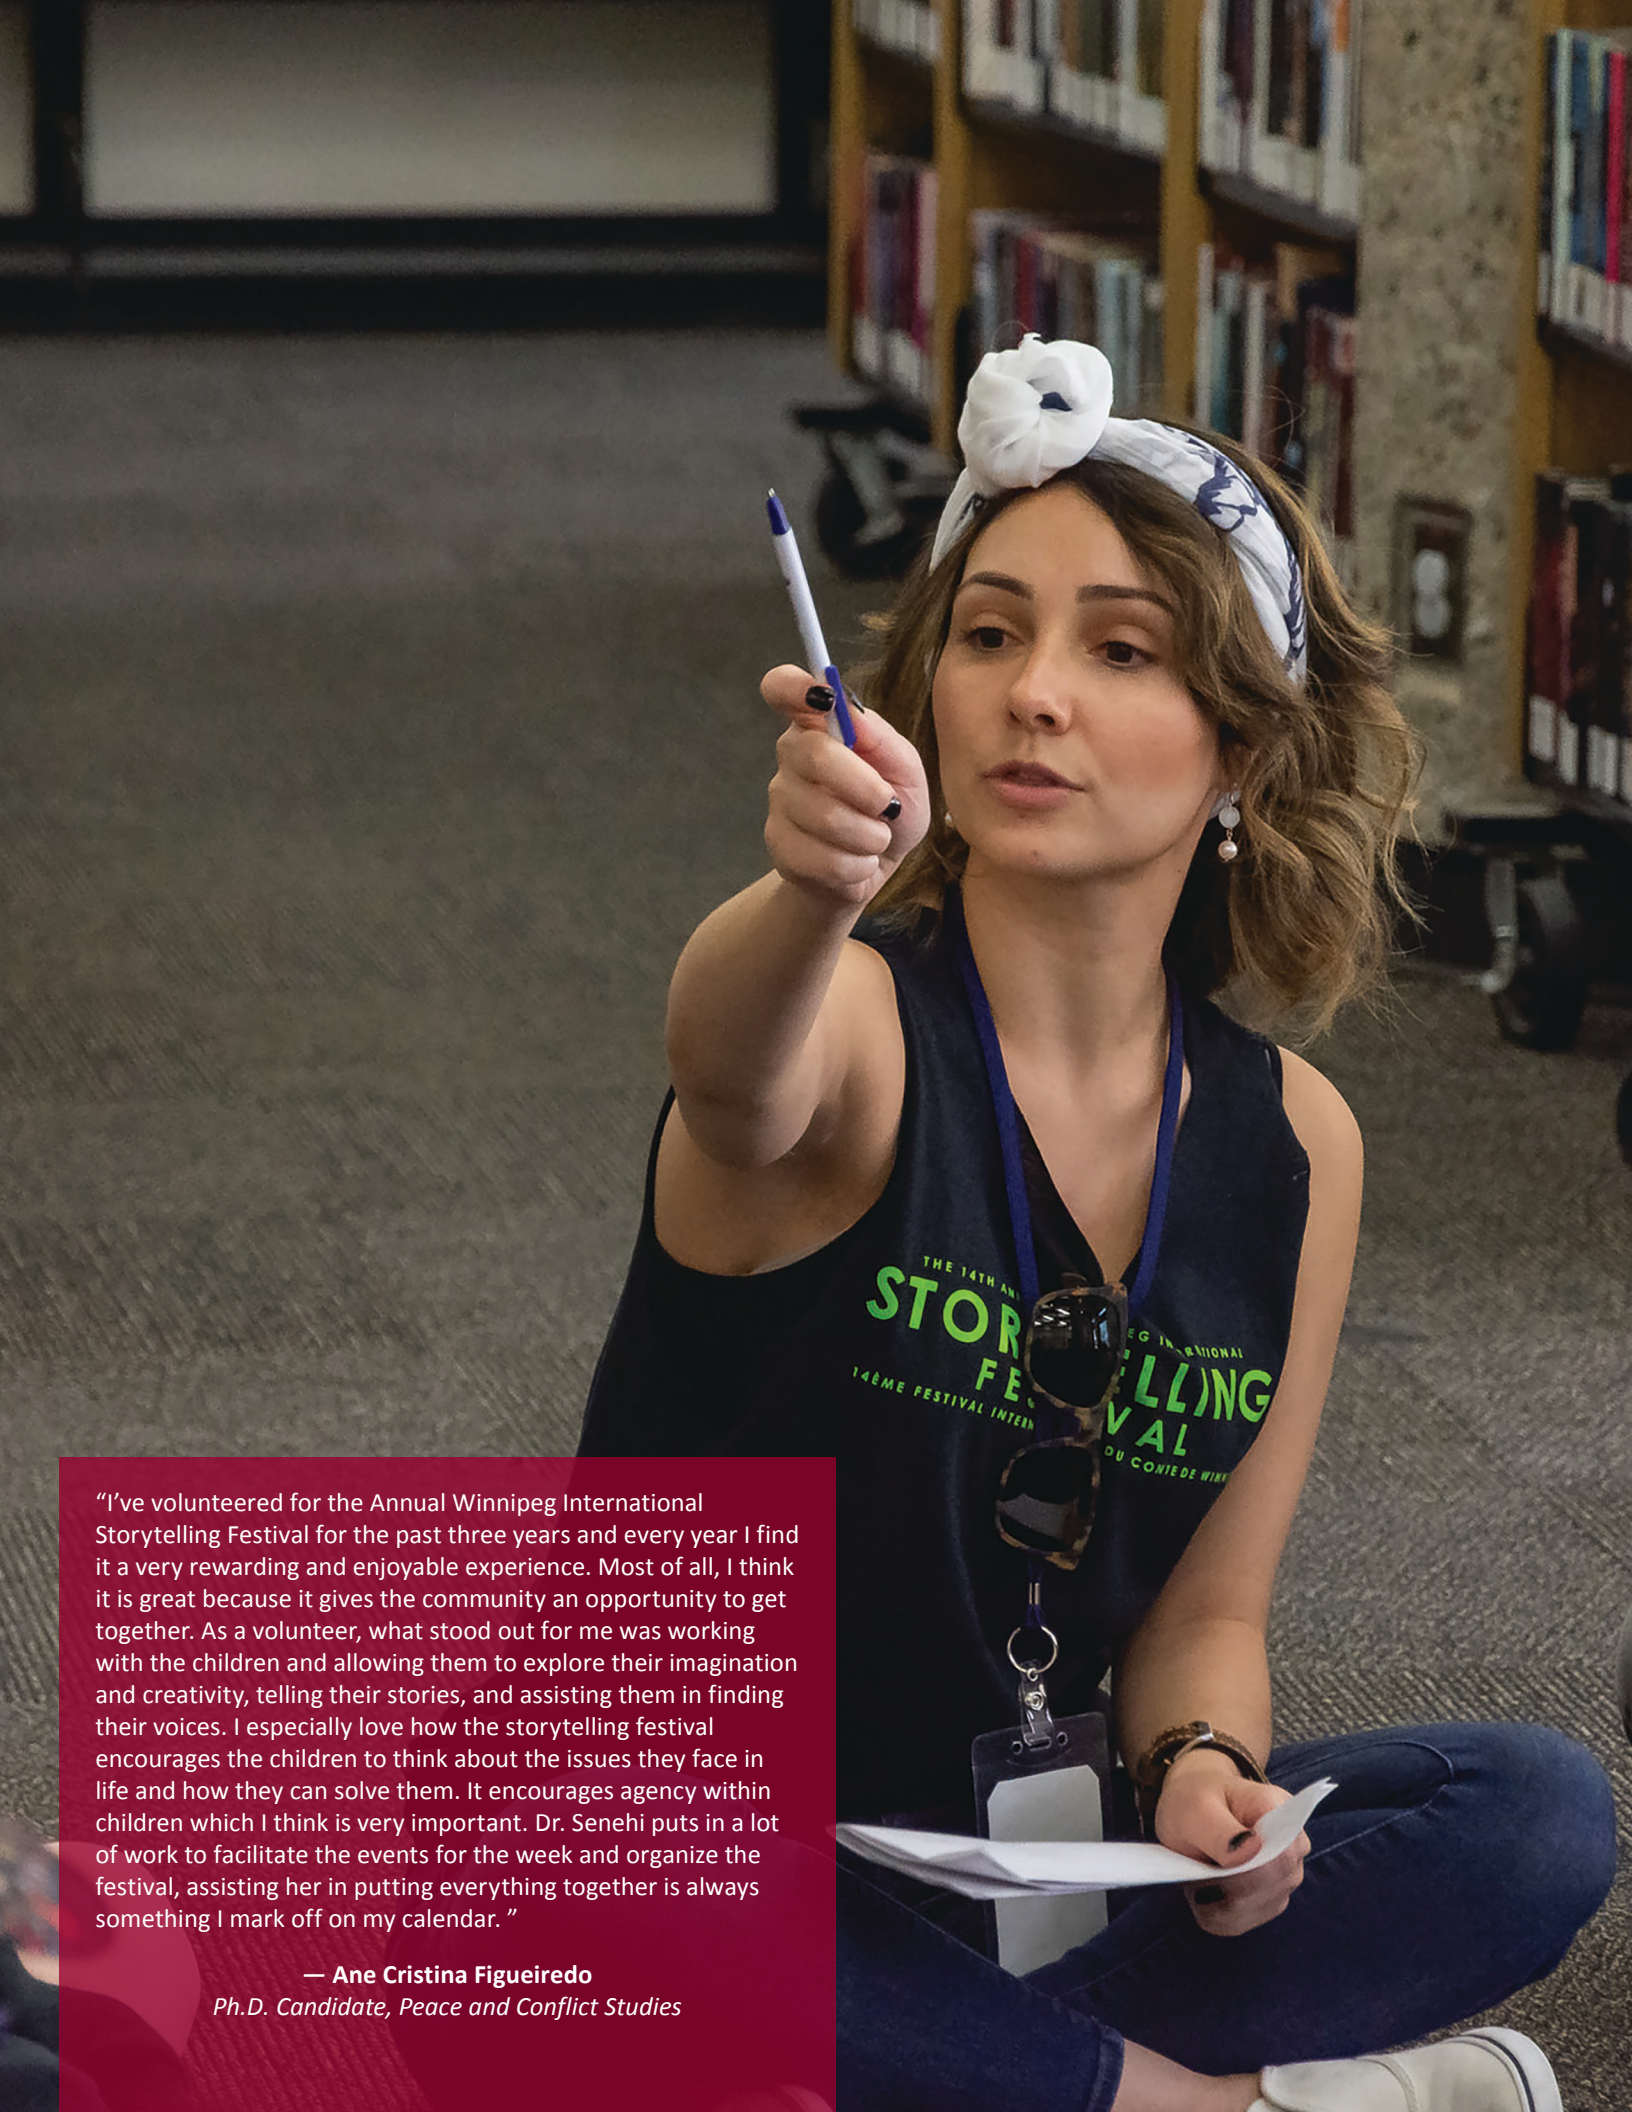

The 2019-2020 St. Paul's College Student Association had a very busy and eventful year filled with many highlights. Some events that took place this year include:

- The SPCSA visited Grade 12 students at St. Paul's High School and St. Mary's Academy to give a presentation about the benefits of joining the College.
- The SPCSA council was very active at Orientation this year. The Executive council presented to the incoming members and the whole council spent the afternoon meeting new students in the quad. Students who signed up for a College membership were entered into an Air Pod giveaway.
- Our Welcome Back BBQ had over 200 members in attendance.
- The September Beverage Gardens was a success and even featured an indoor bouncy castle!
- The entire council was present for Opening Mass on September 22, 2019 to congratulate those who won scholarships and bursaries. The council also received a blessing by Fr. Colin.
- A new charging station was installed in the cafeteria in October.
- College sweaters were sold to the public.
- The SPCSA held several free lunches through the year including Taco in a Bag and Halloween Candy in October, Free muffins and Coffee for exam cram in December, and Grilled cheese at the suggestion of the SPCSA first year council for January.
- The SPCSA collaborated with the St. John's College Students Association including on the annual St. Paul's College and St. John's College BBQ was held at St. Johns College this year with delicious catering from the Daily Bread Cafe. The two councils also joined together to throw a social called "Project College" which featured DJ Blitz.
- SPCSA contributed greatly to UMSU's Holiday hamper program coming in third in donations out of all U of M student councils. The council was able to bring in over 150 food items and raise over \$180
- The SPCSA collaborated with the Science Students' Association for their second social called "Glow Crazy" which featured UV lights and glow sticks in the cafeteria.
- *The Paulinian* newspaper published several editions under the editorship of Joe Smith.
- The SPCSA held the annual Valentine's Day Themed Beverage garden, "Beer my Valentine."
- Two sporting events were put on by the council during the winter semester, which included the annual mini golf tournament and annual sports trivia night.
- Fundraising for the annual Cerebral Bike Race went extremely well as over \$1000 was raised. Unfortunately, due to COVID-19 the event was cancelled, but the money was still donated.

This year's council was very active but sadly due to COVID-19 a number of the events planned for College members were cancelled including their March chicken fingers giveaway, March Madness Bracket Challenge, and the Baccalaureate Celebrations. Elections were held remotely with Jasmine Tavares (Senior Stick), Paul Chorney (Vice Stick), Luke Alevizos (Treasurer), Bridget Scott (UMSU Director), and Kyle Wilfer (UMSU Director) being elected to office.

Council would like to congratulate Father Michael Koryluk on his retirement. An interview with him can be found in the fall semester edition of *the Paulinian*.

Council would like to thank the entire administration, faculty and staff of the College for helping the Council fulfill all of its goals and projects. The Council would also like to thank its members for making this one of the most memorable years in the council's history.

“I’ve volunteered for the Annual Winnipeg International Storytelling Festival for the past three years and every year I find it a very rewarding and enjoyable experience. Most of all, I think it is great because it gives the community an opportunity to get together. As a volunteer, what stood out for me was working with the children and allowing them to explore their imagination and creativity, telling their stories, and assisting them in finding their voices. I especially love how the storytelling festival encourages the children to think about the issues they face in life and how they can solve them. It encourages agency within children which I think is very important. Dr. Senehi puts in a lot of work to facilitate the events for the week and organize the festival, assisting her in putting everything together is always something I mark off on my calendar.”

— **Ane Cristina Figueiredo**

Ph.D. Candidate, Peace and Conflict Studies

Dr. Arthur V. Mauro with Peace and Conflict Studies Students at the November relaunching of the Arthur V. Mauro Institute for Peace and Justice.

ARTHUR V. MAURO INSTITUTE FOR PEACE AND JUSTICE

In December, after 15+ years as the Mauro Centre, and with the continued support and leadership of the Mauro family, the Centre was re-launched as the Arthur V. Mauro Institute for Peace & Justice at St. Paul's College.

The Mauro Institute's many accomplishments in research, education, and outreach are directly attributable to Dr. Arthur Mauro's founding vision that St. Paul's College, the University of Manitoba, and Winnipeg formed an appropriate site for the promotion of peace and justice, one that could have an impact both locally and around the world.

The past 15 years have been testament to the wisdom of his vision: Nobel Peace Prize Laureates, former Heads of State, leaders of organizations dedicated to the pursuit of peace and justice, more than 100 lunchtime lectures, leading academics from around the world, 15 years and thousands of K-12 students attending the Winnipeg International Storytelling Festival, more than \$1 million in graduate student academic awards, peace concerts, community outreach and collaborations, graduate research assistants and student conferences, and, more than three dozen PhDs in Peace and Conflict Studies with alumni dispersed around the world and making a difference in their respective communities.

Expanding the Edges of Narrative Inquiry: Research from the Mauro Institute, a second volume of research from the Mauro Institute, was published in the fall of 2020. Co-edited by Peace and Conflict Studies (PACS) PhD alumni, Dr. Laura Reimer, Dr. Katerina Standish, and Dr. Chuck Thiessen and with the guidance and support of PACS Faculty member, Dr. Sean Byrne,

this collection of research offers innovative answers to the question: why storytelling?

In each chapter, the contributors to the book, most of whom are either PACS alumni and/or Faculty, explore different and critical issues in the field of PACS through various forms of storytelling, while providing recent original research designs for the future development of the field and the education of its practitioners and academics.

What was the role of religion in past genocides? Is there a role for religion in preventing future atrocities? These were the questions at the heart of the **2020 MLT Aikins St. Paul's College University Affiliation Lecture** in March, 2020. **Dr. Kate E. Temoney**, Assistant Professor, Religion, Montclair State University was welcomed in Fr. Jensen SJ Theatre and she provided her lecture on the topic, *The Power of the Faithful: Genocide and Religion*. During her visit, Dr. Temoney also served as Respondent at a PACSSA co-sponsored Graduate Student Colloquium at which four students made presentations about their research and Dr. Temoney provided criticism and advice.

In her lecture, Dr. Temoney argued that although rarely the motivating factor in mass atrocities, religion has played a significant role in both fomenting and stymieing genocidal violence. Through an examination of recent initiatives and reports, Dr. Temoney explored the promises and challenges of enlisting religious actors in mass atrocity prevention.

The 2020 MLT Aikins St. Paul's College University Affiliation Lecture, and other past lectures including the Sol Kane lectures can be viewed on the **Mauro Institute's YouTube channel**.

“Being involved with both Couples for Christ-Youth (Campus Based Program in the University of Manitoba) and St. Paul’s College Campus Ministry has been a real blessing. Gatherings and events are coordinated together for students in the College to share love, joy and laughter with one another.

I honestly don’t know what I would do if not for the College. It has given me so many opportunities from meeting new people, to participating in events, to assisting with Campus Ministry, and to building life-long relationships with people that I will forever treasure.

Now that I am in my final year, even though I seldom get the chance to visit, I still feel at home at the College. St. Paul’s College will always have a special place in my heart and I will forever cherish the memories I have made here.”

— **Jaime Layug**
Faculty of Social Work

Fr. Colin Peterson joined St. Paul's College as priest Chaplain in August 2019.

CAMPUS MINISTRY

Campus Ministry at St Paul's College fosters the development of the whole person, providing an open, caring, hospitable and collaborative environment that supports the mission of the College, embraces the Ignatian tradition and is inspired by the vision of the Second Vatican Council.

In August, Campus Ministry was grateful to welcome Fr Colin Peterson as Priest Chaplain. Michael Resendes was also a valuable addition to the team as Campus Ministry Assistant this year. Eliude Cavalcante continued in her role as the Director of Campus Ministry. Jaime M. R. Layug and Oluwayemisi A. Okedairo worked on their last term as Peer Campus Assistants. David Troya led the Christ the King Choir and our faith community in song as Pastoral Musician. We were very thankful this year to have Fr. Albert Evrard, SJ, a visiting scholar at the Faculty of Law, from Belgium, providing additional spiritual and presence support throughout the 2019-2020 term.

Recognizing Eucharist as our primary liturgical experience, we celebrate the diversity of our Catholic faith and spiritual perspectives in the search of wisdom and enriching spiritual lives.

In collaboration with the College mission, Campus Ministry works to bring the gospel of Christ to the academic world. Throughout the academic year, we aim to foster a spirit of sharing and hospitality through: after- Sunday Mass fellowship with refreshments; coffee house (winter term); Movie Night; daily lunches with students and members of the wider University community in the Belltower Café; monthly board game nights, which have reached students all around campus, interfaith activities including a combined Advent service – The wise still seek Him – Advent readings and carols on December 5th; and Mass and lunch with His Grace, Archbishop Gagnon on February 6th as part of the celebrations for National Catholic Students Week. We continue to foster Student leadership, faith formation, Christian conscience and ethics through: "*singing the Lord's Song in a Strange Land*" retreat, led by Fr. Eric Zadji and Fr Colin Peterson on October 19; Catechesis; *Practicing Prayer: Enhancing Skills* weekly sessions led by Fr Albert Evrard SJ; *the Rosary* on Wednesdays afternoons (Fall and Winter terms); Vespers (evening Prayer) prior to *the Celebration of Giving and Sharing* – St Paul's College open house on November 26th. Finally we seek to increase a sense of Peace and Justice

through: actively encouraging students to participate in activities organized by Development and Peace; collecting food for Campus Ministry's food bank, in addition students collected non perishable items to the University's Food Bank during the National Catholic Students Week.

In addition to weekday Mass, Sunday Mass and other Holy Days of Obligation (such as Christmas and Easter), Mass is prepared and celebrated at special College events including academic and award events (e.g. Mass of the Holy Spirit, St. Paul's Day Mass, Baccalaureate Mass and so forth) as well as other special occasions. The diversity of the College student body also provides the opportunity to learn and celebrate special cultural masses with the students. This year the cultural masses included an Hispanic Mass in honour of Our Lady of Guadalupe, an African Mass, and a Filipino Mass.

The Sacrament of Reconciliation was made available to students and other members of the University community on a daily drop-in basis (Tuesday – Friday) during both terms of the academic year. Eucharistic Adoration was also available daily in the side chapel and every first Friday in the main chapel. In addition, a Baptism and a Wedding were celebrated in the Christ the King Chapel this year.

As our regular activities have been impacted by the COVID-19 pandemic, Campus Ministry had to adapt to continue providing a spiritual support and a sense of community to all we serve. Since in person activities were suspended, Fr Colin has been celebrating daily private Mass and on Sundays live streaming Mass on the College's Facebook page. He also provides on a weekly basis, reflections and homilies, which are posted on our Website. Campus Ministry has also hosted gatherings of its youth online for an end-of-year online retreat.

Campus Ministry also started offering a new service to our community: *The Outdoor Home Prayer Delivery Service (OHPDS)*. At the request from some people in our community Fr. Albert Evrard, SJ stopped outside people's home or in front of their windows, respecting physical distancing, for a moment of outdoor prayer. On Good Friday Fr. Albert provided this service to 14 members in our community doing the Way of the Cross. As we received positive feedback Fr. Albert continues now offering this service to members of our faith community at home.

“St. Paul’s College was a second home for me throughout my four years at the University of Manitoba. Whether I was in a Catholic Studies course, having lunch with friends at the Belltower Café or attending the annual socials; it was always a friendly and welcoming place. The community that SPC has created is something that was really helpful for me when navigating through my first year. The professors are always there for you and they truly want to see you succeed. I had the opportunity to go on two travel study courses offered by the College to Spain (2017) and Italy (2019). I was able to learn through experience and travelling with students from different degree backgrounds, and it brought a fresh perspective to each adventure. I highly recommend going on a travel study if you have the opportunity; you will not regret it.”

— Erin Petreny

Faculty of Kinesiology and Recreation Management

St. Paul's College
Jesuit Centre for Catholic Studies

Jarrold Stadnyk (SPC '03,'05,'15) with Dr. Daniel MacLeod at the Formations and Re-Formations Lunch-Hour Lecture

JESUIT CENTRE FOR CATHOLIC STUDIES

The Jesuit Centre for Catholic Studies is a teaching and research centre operated out of St. Paul's College and the Faculty of Arts, University of Manitoba. It operates the largest Catholic Studies program in Canada and teaches roughly 400 students annually in a variety of courses designed to promote a scholarly understanding of the Catholic Church. Its faculty conduct research in a number of fields related to the culture and history of Catholicism, the Society of Jesus, and contemporary religious issues. It prides itself on being academically rigorous, student-focused, and closely connected to the Catholic community in Winnipeg. The Centre services students from 20 Faculties, Colleges or Schools at the University of Manitoba. Catholic Studies graduates are currently pursuing careers in Law, Nursing, Medicine, Journalism, and Education, among other pursuits.

The faculty of the Jesuit Centre were active in their research throughout the 2019-2020 term. Dr. Evrard's current research examines Catholic and legal approaches to aging.

Dr. Herdman's current research project studies a previously unexamined manuscript of hymns written by Jesuits for the Huron (Wendat) in the 17th century. Dr. Bacola continues her work on GIS mapping of holy sites in medieval England. Dr. MacLeod's current research examines Jesuits and calendars in 16th and 17th century Scotland.

Crowds continue to flock to the Formations and Re-Formations lunch-hour lectures, which are consistently among the most popular lectures on campus. These events have attracted students, scholars, and community members and have frequently filled Hanley Hall with 80-100 attendees. These talks examined a tremendous variety of topics this year and indicate the essential interdisciplinary work of Catholic Studies. Fields examined in 2019-20 include biblical archaeology, ethnomusicology, native studies, law, and history, among others.

On November 7, the Jesuit Centre for Catholic Studies held the 2019 Jesuit Lecture. This was delivered by one of the great historians of the Society of Jesus, Thomas Worcester, SJ, President, Regis College, University of Toronto. Dr. Worcester's lecture, 'Pope Francis in Jesuit Context' was a fascinating examination of Pope Francis' pontificate.

A new course – 'Catholicism and the Law' – was offered for the first time in Fall 2019. It was taught by Dr. Mary Shariff, Faculty of Law, and was a resounding success. Another new course, "Music, Missions, and Indigenous Peoples" was taught by Dr. Jessica Herdman in Winter 2020, drawing new and interesting perspectives to our program. The travel study trip to Scotland was cancelled as a result of the COVID-19 pandemic. This was a significant disappointment to our program as we had 18 students registered and 6 more joining us from Campion College in Regina. The Centre hopes to hold the trip in 2021. 2020-21 will see the Catholic Studies program launch a new course on Catholicism and the Environment, which will consider environmental issues in inter-religious perspectives and investigate Pope Francis' 2015 encyclical *Laudato Si* in perspective.

The Jesuit Centre compiled a list of "Sources for the Study of Catholicism in Manitoba." The Centre thanks Rhéal Cenerini for his excellent work on this project. The list can be found on the Jesuit Centre website at: umanitoba.ca/colleges/st_pauls/jesuit_centre/media/Sources_for_the_study_of_Catholicism_in_Manitoba.pdf

Community members are welcome in all Catholic Studies courses. The Centre frequently welcome seniors and other community members to audit or sit-in on Catholic Studies classes. Information on course offerings can be found at: umanitoba.ca/faculties/arts/departments/catholic_studies/courses.html

“I joined St. Paul’s College in my first year at the University of Manitoba, not knowing how much it would inspire me. My mother and sister graduated from the College, and my father is a professor and an active member of the College. The College has fostered in me a love for learning and love for the community that I am so proud to be in. Just as my sister before me I have taken a role in SPCSA as the NEBAL Representative so that I may be a driving force in the preservation of the past and the enabling of the College’s future. All the members of the College exhibit an attitude of professionalism and respect for all people no matter their race or religion. Even though I am a Jewish student, I feel especially at home at St. Paul’s. I cannot wait to continue my education in the 2020 Fall session so that I may give back all that St. Paul’s has given to me.”

— Noah Greenfield
Faculty of Science

St. Paul's College

NEAR EASTERN AND BIBLICAL ARCHAEOLOGY LABORATORY

Once again, this has been a very busy year for the staff and graduate students of NEBAL. Aside from our normal academic teaching, laboratory and studying activities that take place inside of NEBAL, many of us spent a significant amount conducting research across the world. Members of the team conducted research in Israel, Egypt, Iraq, and Canada. Unfortunately, our planned research project for Turkey was cancelled at the last minute due to political issues.

Dr. Haskel Greenfield, Jeremy Beller, Sarah Richardson, Eleuterio Sousa, Tiffany Okaluk, and Emma Ausen spent 7 weeks in Israel during April and May 2019 conducting laboratory research. While our excavations of the Early Bronze Age (3000-2500 BCE) layers at Tell es-Safi/Gath were completed during the summer of 2017, our laboratory research on the excavated remains from the site stored in Winnipeg and Israel. We conducted research in the laboratories at Bar-Ilan University, Tel Aviv University, and Israel Antiquities Authority, and with an Israeli firm that specialises in LiDAR.

We also began to analyse the animal bone and ceramic remains excavated from the Late Bronze and Iron Age layers (c. 5000 years ago) from the Biblical site of Beth Shemesh. It is located halfway between Tel Aviv and Jerusalem. It was one of the places that the ark of the covenant traveled back from Philistia to Jerusalem. It was originally settled in the Bronze Age by the ancestors of the Biblical Canaanites, who fortified the city with a thick and high fortification. During the Iron Age, it became a Judean stronghold.

For two weeks in February, Eleuterio Sousa conducted research for his thesis at the famous Egyptian archaeological site of Giza. He was examining the butchered remains from the Old Kingdom (4th Dynasty) workman's village – these are the workers who actually built the famous pyramids located at Giza, outside of Cairo. Haskel Greenfield was supposed to accompany him, but

his research permit was denied by the Egyptians since he is deemed a security risk to the Egyptians.

After her time in Israel, Tiffany Okaluk flew to Suleymaniyah, Iraq to participate in the two weeks of excavation of a Kassite period (Late Bronze Age) site in the Diyala River basin organized by the University of Glasgow. She is the staff zooarchaeologist for the project.

Dr. Tina Greenfield, who is a long-standing and founding co-director of NEBAL, who is currently Lecturer in Near Eastern Archaeology at the University of Saskatchewan (Saskatoon), has also been very busy. She conducted specialised zooarchaeological analysis of the previously excavated remains of the ancient site of as a staff member of the Abu Salabikh in southern Iraq, based out of The University of Cambridge (from April 7th-May 21th). She was joined by one of our students, Eleuterio Sousa, as her assistant.

She is also the environmental science coordinator for two British Museum excavations in Iraq: one in southern Iraq called Tello (or ancient Sumerian city of Girsu) and the other in northern Iraq (Kurdistan) called Qalatga Darband. Both of the British Museum projects are part of a four-year scheme to help train Iraqi archaeologists in the newest scientific methods of excavation and cultural heritage management. This region of the world is home to the earliest cities in the world and have been, and continue to be, in danger from both looters and Islamic State who destroy archaeological sites in these regions as part of their regime of terror in the Near East. She is training the Iraqis on how to excavate, process, and identify organic remains (animal and human bones, plant remains, etc.) from these sites, which in the past had never been collected, but can tell a tremendous amount of information about the economy, lifestyles, status and identity of those populations living in these ancient cities.

Peter Ginakes, Manager of the Belltower Café, serves hundreds of students each day

BELLTOWER CAFÉ

The Belltower Café is a 180-seat cafeteria located in the lower level of St. Paul's College that has been serving students, faculty, and staff of St. Paul's College and the University of Manitoba for several decades.

They feature daily house-made specials, as well as an extensive menu of breakfast and lunch items. They serve one of the University's best burgers with lots of fries to go with them. They are continuing to look for different menu items to satisfy their ever growing customer base.

Belltower Café Manager, Peter Ginakes, and his team of Dino Ginakes and Oksana Holoenko serve hundreds of students and staff each day and are responsible for catering many of the College's events including the Celebration of Giving and Sharing and the Ignatian Society Baccalaureate Breakfast. They continue to support the Student Council with catering for their events including the Shrove Tuesday Pancake Breakfast, Exams Crams and various BBQs throughout the year.

Whether you are studying for an exam, or just looking for a quick bite to eat, the Belltower Café has something for everybody.

Top 8 Most Popular Menu Items of 2019–2020

8. Gyros
7. Crispy Chicken Wrap
6. Clubhouse Sandwich
5. Fries (Poutine and Chili Cheese)
4. Daily Special
3. Deluxe Breakfast Bun
2. Chicken Burger and Chicken Fingers
1. Beef Burgers

Former Library Supervisor Bill Wsiaki returned to the College to be featured in a cameo in our upcoming recruitment film

FATHER HAROLD DRAKE, SJ, LIBRARY

Many roles changed at Fr. Harold Drake, SJ, Library over the 2019-2020 year. This summer, Barbara Unger was the successful applicant for the Library Assistant IV position at Fr. Harold Drake Library. She builds on over three decades with University of Manitoba Libraries and over two decades as part of the St. Paul's College community. Following in Bill Wsiaki's footsteps, Barbara became a member of the College Assembly and the College Library Committee (also, by extension, the SPC Historical Collection Advisory Committee).

In autumn we welcomed Brenda-Lee Kahler as the new Library Assistant III. She brings precision, good humour, and quite varied experience after having worked in school libraries and, more recently, the Science Library here at University of Manitoba.

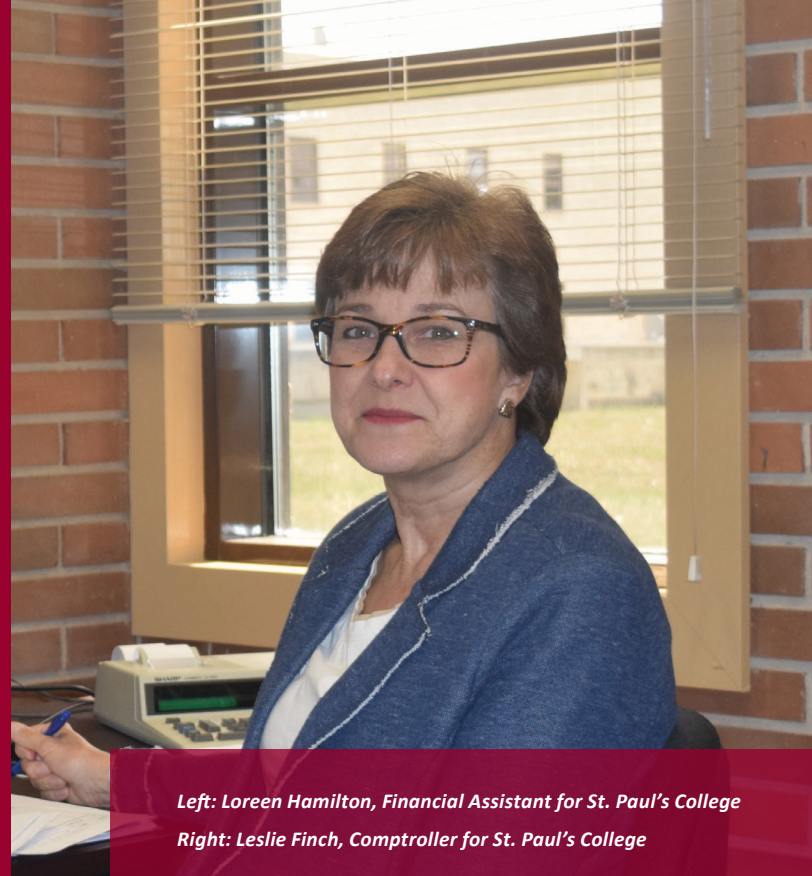

In addition to these permanent staff changes, the library also benefitted from Aurora Tetrault's term position as Library Assistant III, which she took on for four months (through April 2019). She eased many transitions and brought a wealth of experience from a long civil service career.

At the start of 2020, Lisa Demczuk became the new Acting Head Librarian. She succeeded Emma Popowich, who embarked on study leave to pursue her research interests. At the same time, we also welcomed Alex Snukal, Liaison Librarian for Catholic Studies, Religion, and Peace and Conflict Studies. He has kept office hours, three half days a week, in support of those programs at St. Paul's College. He also

consults with faculty members in NEBAL, regarding library resources. Alex replaces Dominique Taylor who was very much appreciated in the same role and will be missed. Dominique is now at Eckhardt Grammate Music Library. Both Alex and Dominique have made regular presentations on library tools and tactics to full Catholic Studies classes.

In the past few years, the library has been a venue for some College events. The Scholar's Recognition Reception in October of 2019 (postponed from an earlier date due to a power outage!) was one of them. Both set up and tear down were well coordinated between library and College staff. The excellent turnout included both active and retired faculty members. There was a large display of academic work from the past year. The program, itself, was emceed by Dean Fernando, who elicited a series of two minute research summaries from participants that were both interesting and entertaining.

Academic life at U of M and in St. Paul's College is challenged by the pandemic. In the meantime, U of M Libraries maintains online service and support through their site at umanitoba.ca/libraries. Additional content has been made available online and the "Ask Us" reference service is well staffed. Brenda-Lee and Barbara have been fortunate to have direction from Lisa Demczuk and support from College Administration as conditions change. Someday, the flow of life and work will return to the library.

Left: Loreen Hamilton, Financial Assistant for St. Paul's College

Right: Leslie Finch, Comptroller for St. Paul's College

COMPTROLLER'S REPORT

St Paul's College is an affiliated college operating within the larger context of the University of Manitoba. As part of the University, the College receives budgetary funds which support College operations.

The College is also a non-profit organization, incorporated under the laws of Manitoba, with registered charity status.

Given the College's dual role, the Comptroller's office also holds a dual financial role and responsible to both the College and University.

For the College, the Comptroller's office is responsible for the operation of the Accounting & Finance unit, which supports the Rector, Dean, College Units, and Board of Governors.

The activities are Budgetary and Financial reporting, Academic

Awards financial cycle, Payroll and Pension System, Receivables and Payables, Treasury Services, and charity reporting (PST & GST) to the Provincial and Federal regulatory bodies.

During the 2019 – 2020 year the Accounting and Finance unit received and deposited \$1,166.7 in revenues and expended \$1,062.2 (issuing over 1,000 academic award and vendor cheques).

Within the larger context of the University, the Comptroller is also the financial officer, responsible for the SPC – UM budget and expenditure management operations; on behalf of the College, Rector, and University. The University expenditure budget for SPC was \$1,113.6 & \$1,041.3 respectively for years 2019-2020 & 2018-2019.

TABLE 16: ST. PAUL'S COLLEGE SUMMARY FINANCIAL INFORMATION:

		2019–2020 Year Draft \$ (000)	2018–2019 Year Final \$(000)
Revenues		\$1,166.7	\$1,013.1
Expenses	<i>Student Academic Awards*</i>	\$298.3	\$274.6
	<i>SPC Programs</i>	\$763.9	\$721.2
	<i>Total</i>	\$1,062.2	\$995.8
Net Surplus (before amortization)		\$104.5	\$17.3

Note: Dollar Amounts in 1,000's

Senior College Assistant Irina Malkin and Manger of Operations Randall Kinley enjoy lunch in the Belltower Café

ONGOING IMPROVEMENTS TO THE COLLEGE DURING 2019–2020

This past year we made further headway in moving towards our goal of enhancing the classrooms, offices, research and study areas, building comfort, general accessibility and overall safety and aesthetics of the College.

- We are continuing to plan for, and negotiate with, a highly experienced group to finance, build and operate a 300 bed student residence project on St. Paul's College land under a long term lease agreement.
- The corridor in the 100 level of the South Wing was in considerable need of an upgrade with paint bubbling, peeling and staining on the ceiling, walls and floor. The area has been freshly painted including much needed enhancements to the lighting.
- All new tables for the cafeteria have been ordered by the Student Council and are waiting installation. We are seeking a confirmed time for completion of this project which will be at no inconvenience to our cafeteria customers and operation.
- There were a number of broken pew kneelers in the chapel. These have all now been repaired and refurbished.
- New computers and monitors have been purchased to replace the old computer equipment in all units of the College.
- A number of academic office reallocations were made by the College's Dean of Studies. In some cases cleaning and minor repairs to these offices were required and completed.
- Flooding again occurred in the basement of the Sinnott Building during a major rainstorm this past Fall. The University of Manitoba is seeking ways by which this can be prevented in the future.
- Sewer pipe replacement was completed under the cafeteria washrooms.
- Miscellaneous roof repairs have been completed throughout the year as required.
- The University of Manitoba Physical Plant department graded the soil around the buildings to enhance drainage.
- Classroom 229 has had new window coverings installed.
- A new contract with the University of Manitoba for another 7 year Sinnott Building lease was concluded.
- Dr. Haskel Greenfield and Randall Kinley have applied for Federal Research Support Funds in the amount of \$22,490 including contingency, all taxes and fees to advance Phase 8 of NEBAL development. This application contemplates creating an attractive artifacts display area in the corridor between the undergraduate carrel room and the NEBAL facility.

These projects were accomplished with the financial support of our student members, St. Paul's College Students' Association, St. Paul's College, St. Paul's College Foundation Inc., the University of Manitoba, SPC Alumni and Friends and other donors.

BACCALAUREATE CELEBRATIONS

PRESENTING THE GRADUATING CLASS OF 2019–2020

The 2020 Baccalaureate Mass and Ceremony were postponed due to COVID-19. A Celebration will take place in the future.

RECOGNIZING STUDENT ACHIEVEMENT

Mass of the Holy Spirit and Opening Academic Exercises
September 22, 2019

The Jesuit Entrance Scholarship:

Naomi Assefa (*St. Mary's Academy*)
Ireland Larter (*St. Boniface Diocesan High School*)
Thane Tomlinson (*St. Paul's High School*)
Faith Dimacali-Santiago (*St. Maurice High School*)

The Diane Dowling Memorial Scholarship:

Lila Yarechewski and Tessa Reimer

The Todd Davison Memorial Scholarship:

Stefan Hreno

St. Paul's College Alumni & Friends Association Entrance Scholarship:

Devin Habon (*St. Maurice High School*)
Jessica Tsai (*St. Mary's Academy*)
Michael Pelley (*St. Boniface Diocesan High School*)
Duncan Lamont (*St. Paul's High School*)

The Military and Hospitaller Order of St. Lazarus of Jerusalem Ecumenical Scholarship:

Emily Enns

Dr. Karl Schilling Memorial Prize:

Joadi Jacobs

The Archbishop Leonard J. Wall Scholarship:

Lumiere Parrenas and Stefan Kriening

Elizabeth Desmond Prize in Medieval History:

Michael Resendes

The Larry & Leta Lee Entrance Scholarship:

Hailey Wegscheid

The Patrick Burke-Gaffney Prize in Mathematics:

Lila Yarechewski

The Ellen Dryden Finlay Entrance Scholarship:

Sargun Rehsia (*St. Mary's Academy*)

Timothy E. Desmond Prize in History:

Jayden Kyryluk

St. Paul's Day Mass and Academic Awards Ceremony

January 26, 2020

Dr. Adam Giesinger Scholarship in Science:

Max Piche and Kimberly Willis

Matthew, Elizabeth, Marjorie, Charles, and Ilene Meder Scholarship:

Carlo Sgarbanti

Dr. and Mrs. J. Michael Trainor Scholarship:

Kyle Wilfer and Amber Reichardt

The Wyrzykowski Family Scholarship:

Joaquin L. Valdez, Emily Enns, Michael Resendes

Dr. Oleh W. Gerus and Mrs. Yvonne M. Gerus Scholarship:

Emily Enns

Brian Patrick O'Connell Memorial Scholarship:

Chantale Cenerini

Honourable Philip S. Lee, C.M., O.M. and Family Scholarship:

Shania Miralda

The John E. Robbie Prize in Computer Science:

Jaydon Gan

The Jesuit Scholarship:

Katrina Nugent, Stefan Hreno, Thane Tomlinson

TJ Rice Family Scholarship:

Michael Resendes

Kenneth H. Kustra, CA Scholarship:

Laura Gilleshammer

General Scholarship:

Sochimaobi Nweze

William Briskie Memorial Scholarship:

Stephanie de Souza

Jeremy Semchyshyn, Ignatian Society Stick with the 2020 Paulinian of the Year Recipient, Shane Thiessen

“I am honoured to receive the Paulinian of the Year award for 2020! As I look back over my university career, the time spent at St. Paul’s College are the most memorable. Whether we were hosting an event, or simply enjoying lunch from the Belltower Cafe, I always felt that there was a strong sense of community within the walls of the College. I am grateful to have been able to meet and work with such an amazing group of people during my time as a Paulinian.”

— **Shane Thiessen**
Paulinian of the Year 2020
Faculty of Science

Baccalaureate Ceremony

The Martin Kavanagh-Gaultier LaVerendrye Fellowship:
 Alexandra Moreau

Rosemarie Schilling Finlay Scholarship
 Luther Sousa and Tiffany Okaluk

The Cecil Ryan, SJ Rectors Award:
 Dr. Daniel MacLeod

Paulinian of the Year Award
 Shane Thiessen

Valedictorian:
 Michael Resendes

St. Paul’s College Students’ Association Awards

SPCSA Miss Paulinian Award:
 Laura Gilleshammer

SPCSA Dedication Award:
 Haley Finch

SPCSA Spirit Award:
 Matthew Rakar

SPCSA Fundraising Award:

St. Paul’s College Ignatian Society Magis Prizes

Magis Prize for Influence and Leadership:
 Mr. Thomas P. Dooley (SPC ’65, ’69)

Magis Prize for Service for Others:
 Dr. Nichole Riese

Magis Prize for Peace and Reconciliation:
 Justice Kimberly Prost (SPC ’78, ’81)

Magis Prize for Ingenuity and Innovation
 Dr. Haskel and Dr. Tina Greenfield (SPC ’92, ’97)

“St. Paul’s College is an institution, just like the University, but different.

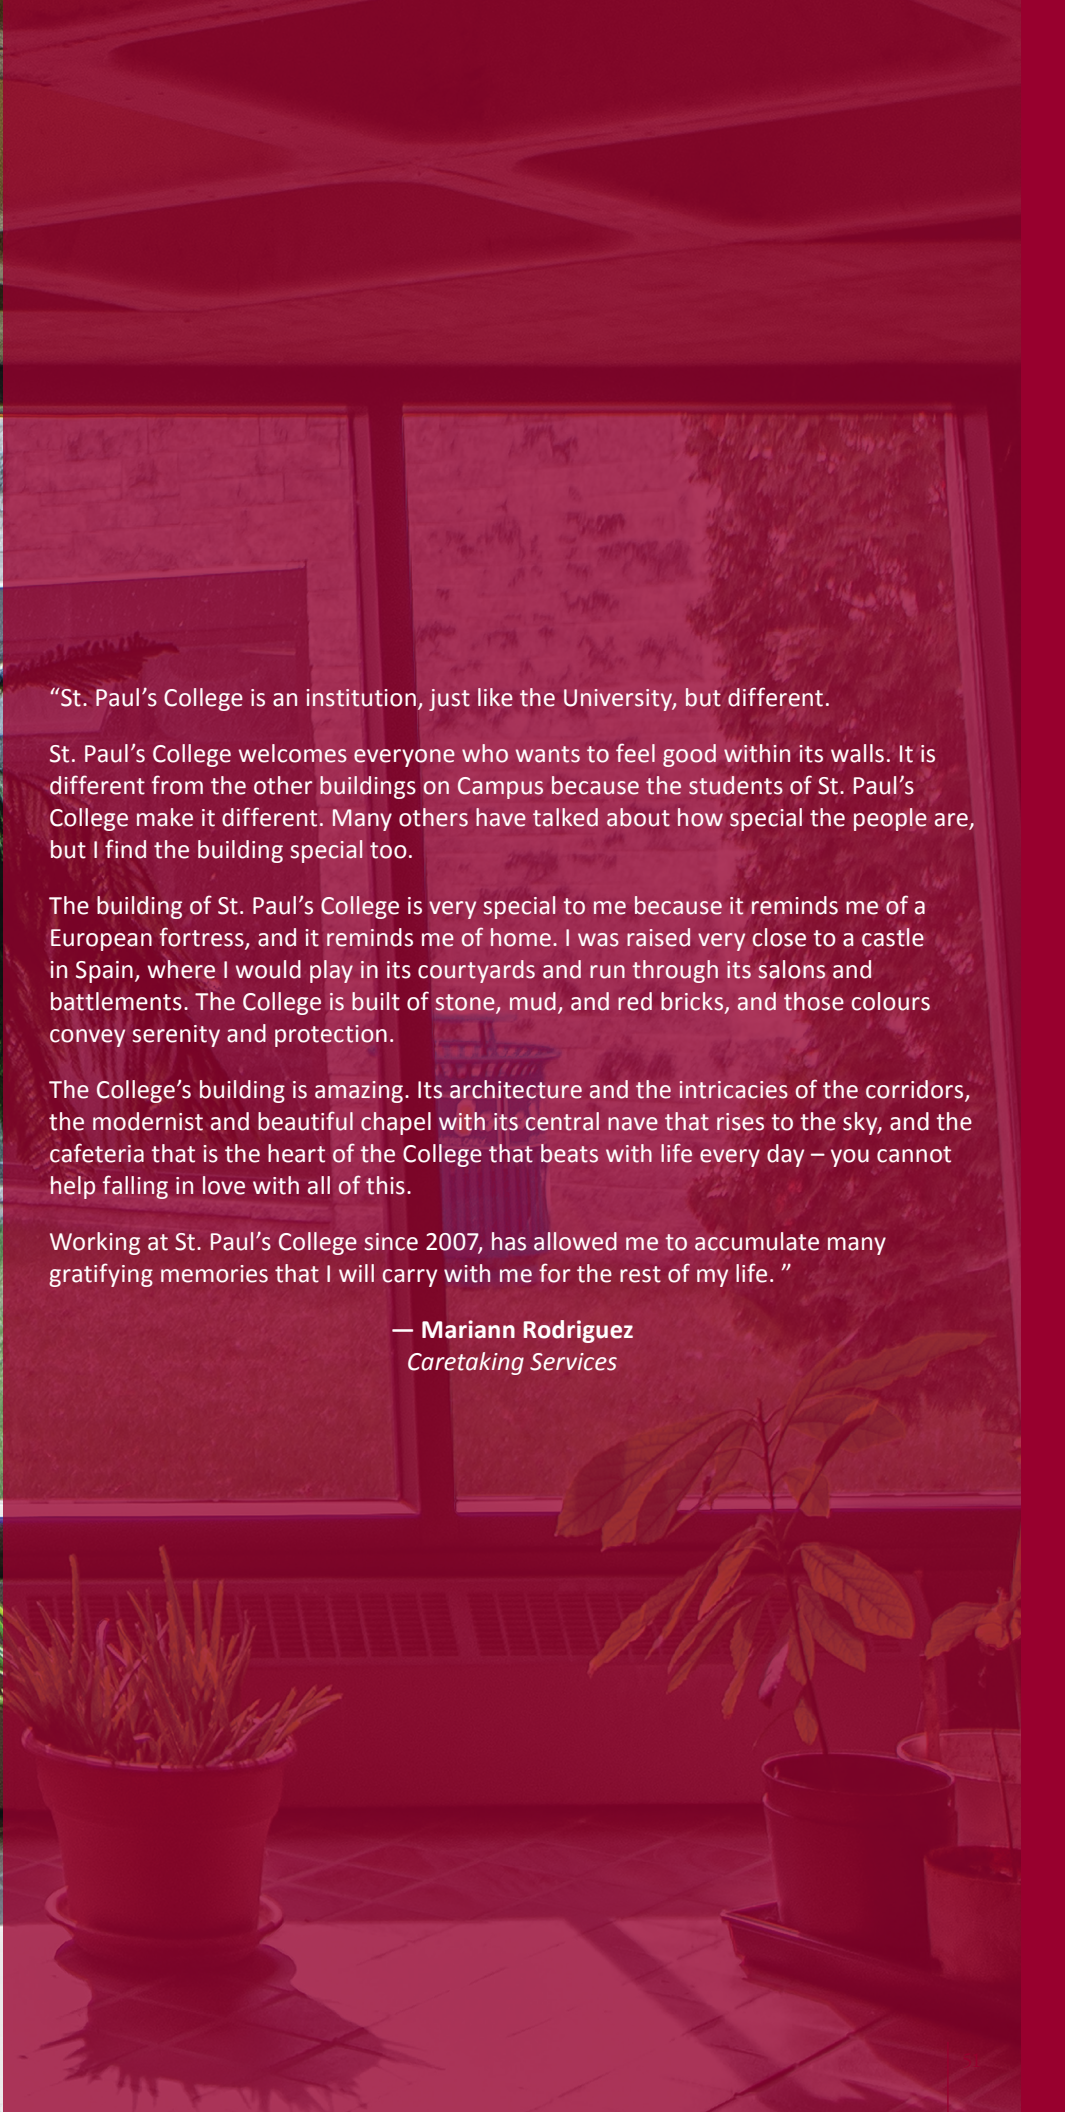

St. Paul’s College welcomes everyone who wants to feel good within its walls. It is different from the other buildings on Campus because the students of St. Paul’s College make it different. Many others have talked about how special the people are, but I find the building special too.

The building of St. Paul’s College is very special to me because it reminds me of a European fortress, and it reminds me of home. I was raised very close to a castle in Spain, where I would play in its courtyards and run through its salons and battlements. The College is built of stone, mud, and red bricks, and those colours convey serenity and protection.

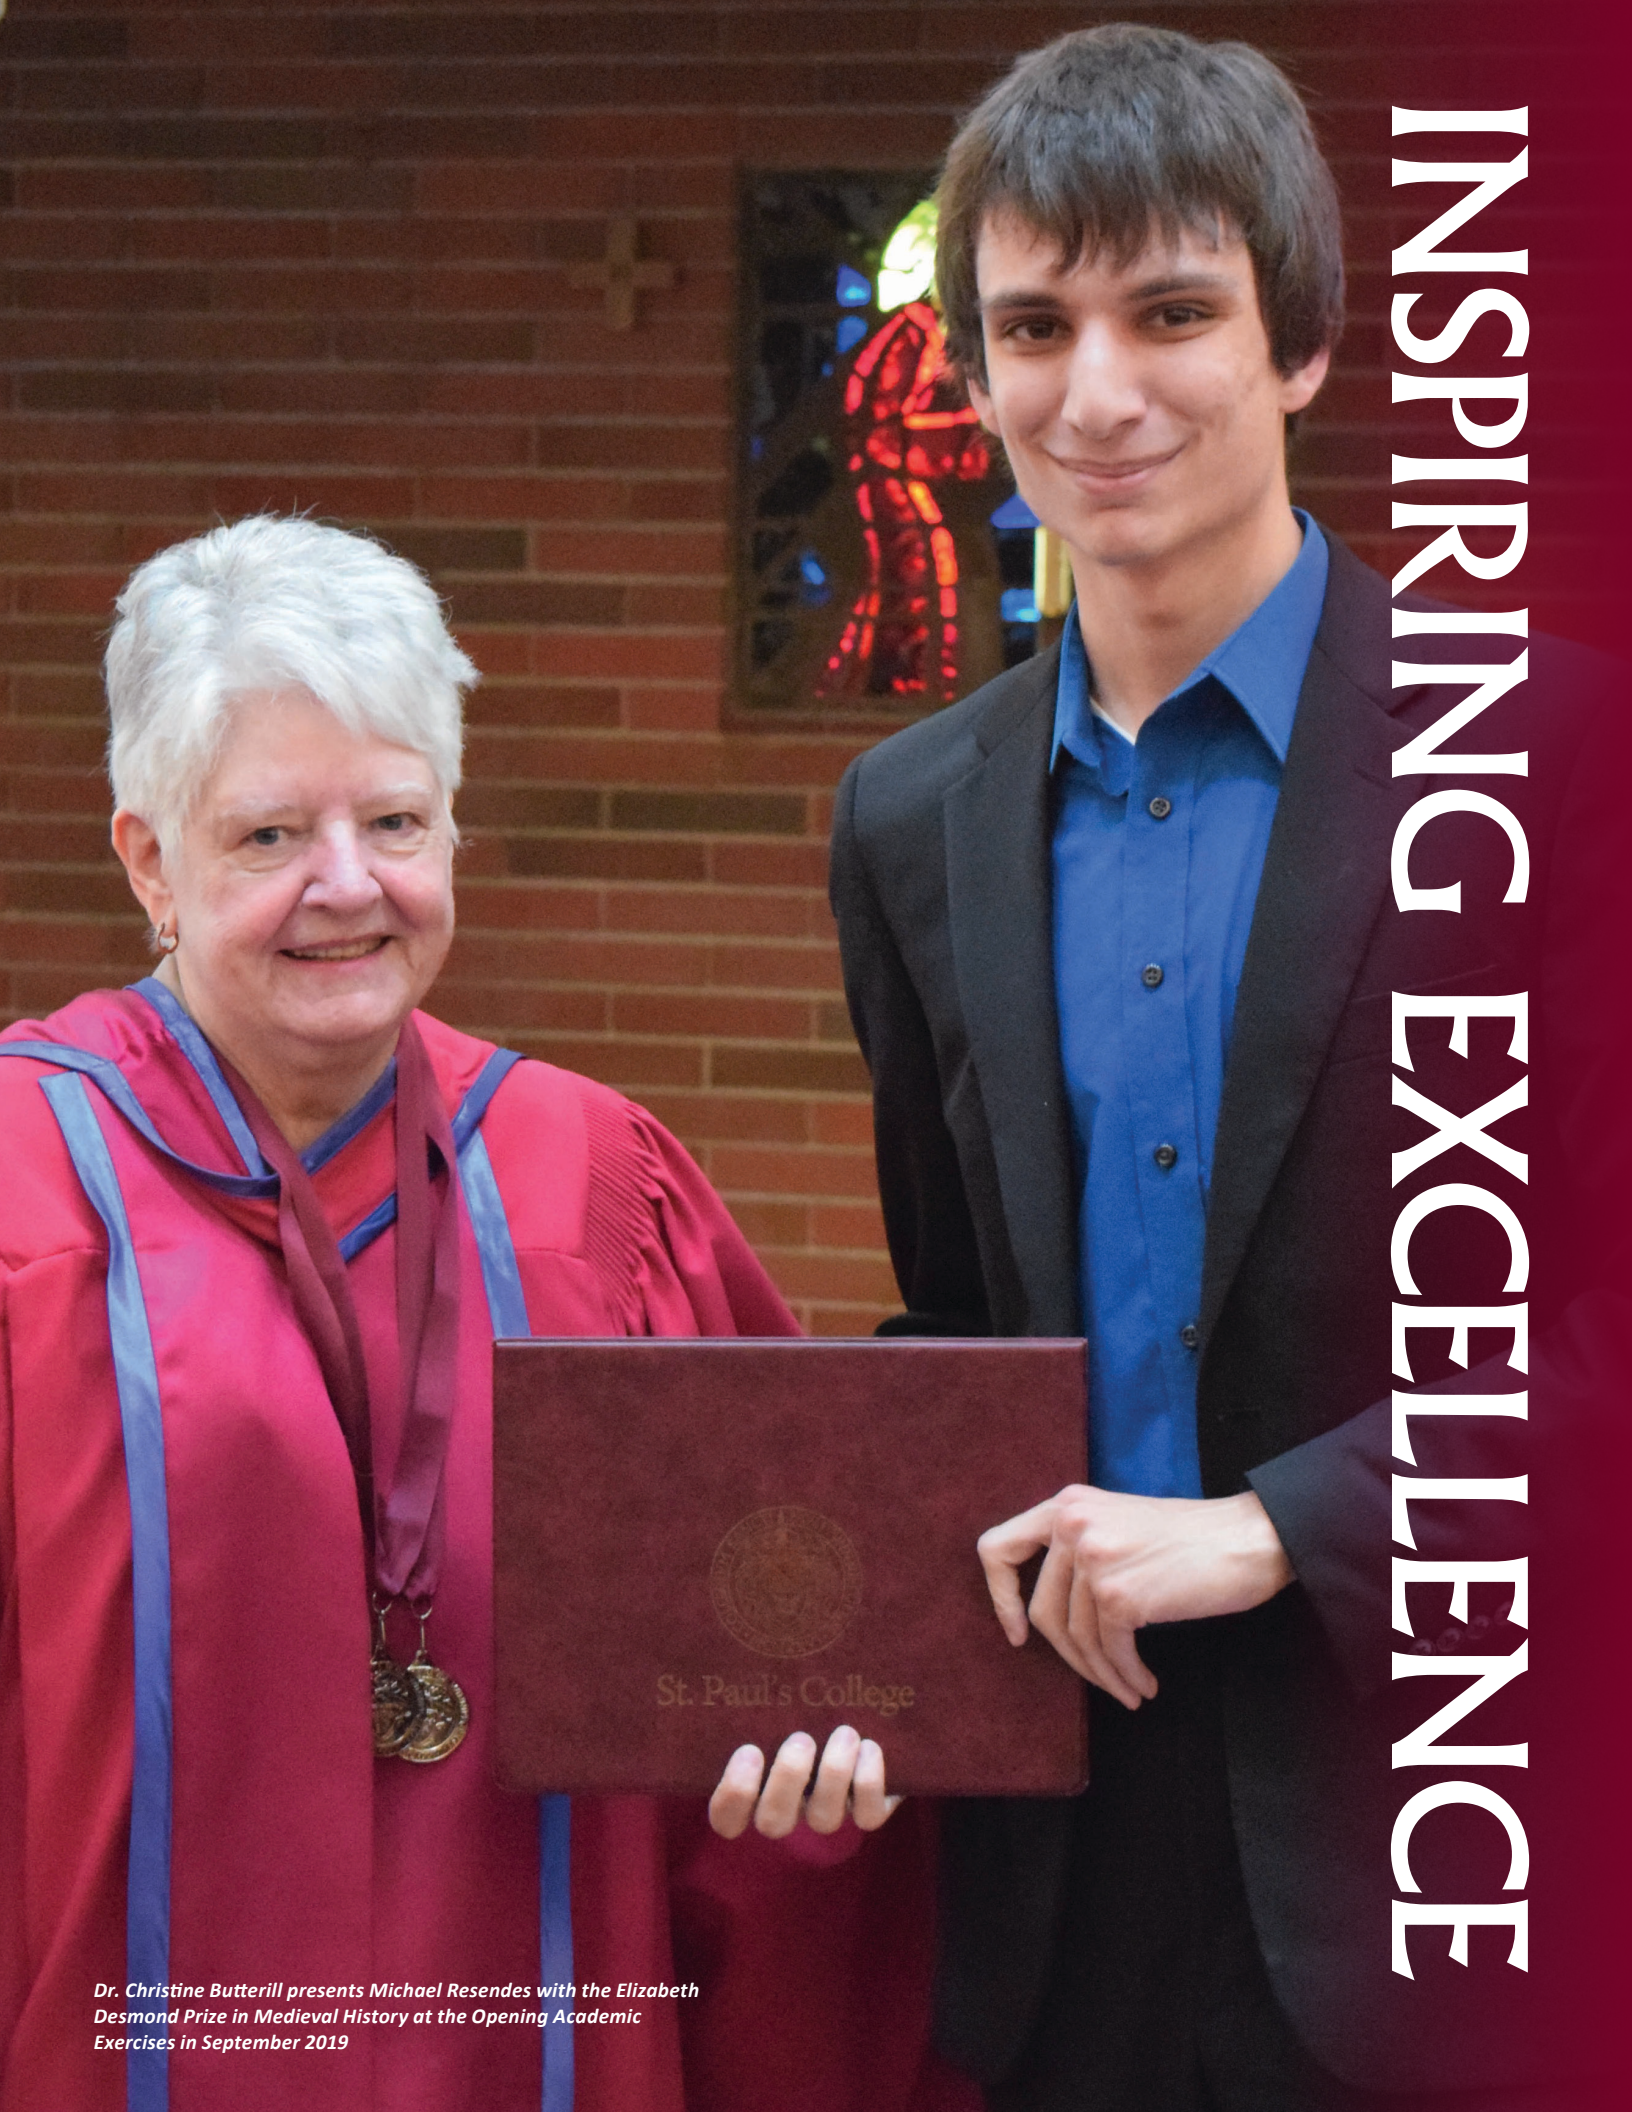

The College’s building is amazing. Its architecture and the intricacies of the corridors, the modernist and beautiful chapel with its central nave that rises to the sky, and the cafeteria that is the heart of the College that beats with life every day – you cannot help falling in love with all of this.

Working at St. Paul’s College since 2007, has allowed me to accumulate many gratifying memories that I will carry with me for the rest of my life.”

— **Mariann Rodriguez**
