

UNIVERSITY OF MANITOBA SECURITY SERVICES

SECURITY SERVICES MONTHLY MAY 2019

BIKE SECURITY

Security Services continues to experience bike thefts and attempted thefts at both the Fort Garry and Bannatyne campus. In an ongoing effort to reduce bike thefts on campus, Security Services continues to patrol bike racks frequently and respond as quickly as possible to reports of suspicious individuals around bike racks.

If you ride your bike to the University of Manitoba there are steps that you can take to keep your bike safe. U-locks are the most effective devices for preventing bicycle theft. Its efficient design and solid construction makes it difficult to defeat by pry bars, hammers and bolt cutters. We suggest you to buy the best U-lock that you can afford. Additional cables can work in tandem with the U-lock to add extra security.

Be Proactive

Don't Be a Victim

How to Lock Your Bike

- Park your bike at a designated bike rack on campus
- Place the U-lock around the frame and attach it directly to the bike rack
- For additional security use a cable to secure the front and rear wheels as well as the fork
- Take anything easily removable like lights, cyclometers and seat bags with you when you leave

In addition to the tips provided above, the University of Manitoba currently offers 18 secure bike lockers located across the Fort Garry Campus, providing a personal, weather protected and secure enclosure for storing your bicycle. Bike lockers are available to the University of Manitoba community in terms of up to one year. Lockers are available on a first come, first served basis.

More information on the bike locker program can be found on the Office of Sustainability webpage, located at:

UNIVERSITY OF MANITOBA SECURITY SERVICES

GUARD TOUR STATISTICS – MAY 2019

Every day, Security Services staff walk through University campus

Buildings scanning hundreds of checkpoints

Fort Garry Campus average of 20,000 Checkpoints Scanned

Bannatyne Campus average of 15,000 Checkpoints Scanned

SUSPICIOUS

It is important to Security Services that the university community is comfortable and feels safe when spending time on campus. Security Services responds to reports of suspicious people and vehicles on campus.

27 Responses to suspicious calls

SAFE WALK /SAFE RIDE

Safe Walk and Safe Ride is a free service in which Security Services staff will meet you and walk you or give a ride to/from your car, your class, your residence room, or a bus stop. If you don't feel comfortable walking on campus at night, Security Services would be happy to assist you.

84 Safe Walks / 12 Safe Rides

ACCESS

Every day Security Services helps students and staff that want to gain access into buildings or rooms. In order to assist with these unscheduled door openings Security Services staff must interrupt their day-to-day operations.

145 Unscheduled Access Requests

MEDICAL EMERGENCIES

Security Services responds to all medical emergencies on campus. Sometimes Security Services staff are the first to respond to an emergency, other times they play a key role in guiding the emergency responders to the correct building and room.

7 Responses to Medical Emergencies

PARKING SERVICES

Security Services works closely with Parking Services at the University of Manitoba. Security Services staff assisted Parking Services in the following way:

Assisted Parking Services - 6 Incidents

INSECURE ROOMS/BUILDINGS

Security Services checks all doors and documents all insecure doors while completing their Guard Tour rounds. **8**
